47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I shouldn't have to pay actual Satan for broadband. I want to support local business, and I can't do that if you sanction literal monopolies by allowing big telecom to refuse to lease their lines to small providers. CenturyLink owns all of the phone lines in my area. Don't just give them the key to the city, too.
